

**Uwharrie Point Community Association**  
**Street Address, Mailbox Request Form**  
*(prices updated 2/1/09)*

Residents within Uwharrie Point have several options available to them for street address identification. Choices include a mailbox with numbering and name plate, number plate and post, and/or house numbers installed on the residence. All residences, which are more than 50' from the street, are required to have the number posted at the street. Numbering on the house is optional.
